UWS

# COLLEGE TO UNI

2025 ENTRY

[UWS.AC.UK](https://www.uws.ac.uk)

**AS ONE OF SCOTLAND'S MOST INCLUSIVE UNIVERSITIES, WE ARE PROUD TO BE THE LARGEST PROVIDER OF ARTICULATION OPPORTUNITIES IN THE COUNTRY, WELCOMING OVER A THOUSAND NEW STUDENTS FROM A RANGE OF COLLEGE COURSES TO OUR DEGREE PROGRAMMES EACH YEAR.**

---

Over 95% of our degree programmes at UWS have advanced entry options available with an HNC or HND, and ALL of our degree programmes consider HNC and HND qualifications for entry to years 1-3.

Our dedicated UWS College Team work closely with further education colleges across Scotland, including our 10 partner colleges, to ensure that students moving from college to university are well supported throughout their academic journey and that the move to degree level study is as smooth as possible.

In this leaflet, you will find a useful guide showing HNC and HND subjects and the UWS degree programmes they can lead to, as well as over 60+ UWS degree programmes and the HNC/HND qualification you will need to gain entry.

Please don't worry if your qualification isn't listed here or if the title is slightly different, we accept a range of qualifications for entry to our programmes and encourage you to reach out to our team if you have any questions about your qualifications or any aspect of studying with us at UWS.

The information in this leaflet is accurate at the time of publication, however, we would encourage any prospective applicants to check our website or get in touch with us prior to applying for the most up to date advice and information.

## **GOT A QUESTION?**

Contact our team via email at [\*\*collegeteam@uws.ac.uk\*\*](mailto:collegeteam@uws.ac.uk).

We also offer 1-to-1 advice sessions via online call, phone call or in-person at a UWS campus. Please do get in touch with us to arrange an appointment.

Look out for the UWS College Team at a range of events and presentations throughout the year at partner colleges across Scotland.

If you would like to arrange a bespoke presentation or a visit to a UWS campus for your class, please feel free to get in touch, we would be delighted to meet you!
