# Assigning student card for use with Multi Function Devices (MFD)

Place your card against icon on front of MFD

The display screen will prompt for *Username* and *Password*

Username: Your Banner number (you can find that on the bottom of your card)

Password: Same as password you use to login into PC

Press **[Set]** button

Your card is now registered. You can use the card to access the MFD for printing, copying and scan to email.
