# EU Summer School

2nd July 2018 – 10th August 2018

**The UWS EU Summer School is back for 2018. We're inviting students from our international partners to live and study in Scotland for six weeks in July and August. The Summer School will be hosted at our Paisley Campus, on the edge of Glasgow.**

The programme is a great opportunity to explore all that Scotland has to offer, allowing students to take home academic credit under the European Credit Transfer Scheme. Modules are delivered by expert lecturers in active learning suites, ensuring the best learning experience.

Students will take part in a core 20-credit module, Enterprise Creation. There is then the option to select Digital Marketing (10 credits) or Leadership and Management (10 credits). You'll also have the opportunity to undertake an English Language Module (non-credit bearing).

The timetable is structured to give you the freedom to explore Scotland and the UK. We'll also provide opportunities for excursions to places like Edinburgh and some fun social activities throughout.

The EU Summer School includes all tuition fees, accommodation and additional social activities for a cost of £1500. We're offering a 10% early bird discount for bookings made before the 23rd of February 2018.

book now on the UWS website.
