## STUDENT EVALUATION FORM

You are invited to participate in our Careers Fair Survey. We are always eager to find out where things have gone well (and if there are areas, we could improve on).

Your participation in this study is voluntary and if you feel uncomfortable answering any questions, you can withdraw from the survey at any point. Your survey responses will be strictly confidential and data from this research will be reported only in the aggregate.

You can either complete evaluation form during exhibition, email form or use <http://student2018.questionpro.com> to provide responses.

If you have questions at any time about the survey, you may contact Lizanne Hamilton-Smith at 0141 849 4319 or email [lizanne.hamilton-smith@uws.ac.uk](mailto:lizanne.hamilton-smith@uws.ac.uk).

Thank you for your time and support in this event, we hope you found it a very rewarding day.
