

Additional List of Creditors

Applying for the Discretionary or Childcare Funds?

Use this template as part of your application if you find there is not enough space on the application itself to include all of your creditors. Include everything you can think of and remember to enclose supporting evidence. If you can't get evidence of any debts listed, please tell us and we will consider as many of your repayments as we can.

NB: Paying only the minimum monthly payment towards debts will mean it costs more and takes longer to repay. We recommend paying a little more than the minimum and will assess your application as such.
