Vision Schools - Level 2 Application Form

	Level 2 criteria	Expected Outcomes	Evidence that Outcomes have been met
1	The school is consistently maintaining the criteria of Level 1.	Head teacher and senior manager(s) demonstrate sustainability of embedding Holocaust education in their school. Teaching staff provide examples of good practice of Holocaust education and how they have communicated with peers, and other Holocaust educational providers since Level 1 accreditation.	
2	School students take an active lead in Holocaust education in their school and wider community. This criteria will additionally be evidenced by representatives of Vision Schools Scotland visiting the schools and talking to students.	Teachers and/or senior managers demonstrate student leadership in Holocaust education. School students demonstrate the impact of Holocaust education by sharing their learning with others, and leading initiatives.	
3	The school is committed to their staff's Continued Professional Learning in Holocaust education.	Teachers and/or senior managers demonstrate that their staff have participated in CPL in Holocaust education
