Grounds for an appeal	Details
New evidence	<ul style="list-style-type: none">• There were circumstances, such as illness or other factors, adversely affecting the candidate's performance of which the examiners were unaware at the oral examination and which the candidate was unable, or for valid reasons unwilling, to divulge before the examiners reached their decision. The following will NOT be considered grounds for an appeal against a decision of the Research Examiners:

- Any complaint or grievance made by the candidate for alleged inadequacy in the supervision or other arrangements during the period of registration shall not constitute grounds for appeal, since procedures exist for such complaints and grievances which should be instigated during the period of registration and before submission.
- Any disagreement with the academic judgement of the examiners in assessing the merits of the thesis and the programme of supervised research, or in reaching any assessment decision based on the candidate's performance in the oral or approved alternative form of examination.

Please note that you must submit this form within 10 working days from the notification date which informed you of the decision against which you are appealing.
