UNIVERSITY OF THE WEST of SCOTLAND

UWS

COLLEGE TO UNI

2027 ENTRY

UWS.AC.UK

As Scotland's leading university for widening access, we are proud to be the largest provider of articulation opportunities in the country, welcoming over a thousand new students from a range of college courses to our degree programmes each year.

Over 95% of our degree programmes at UWS have advanced entry options available with an HNC or HND, and ALL of our degree programmes consider HNC and HND qualifications with entry points available from years 1-3.

Our dedicated UWS College Team work closely with further education colleges across Scotland, including our 10 partner colleges, to ensure that students moving from college to university are well supported throughout their academic journey and that the move to degree level study is as smooth as possible.

How to use this guide:

Pages 4-6 – Find a list of all degree options at UWS, including our graduate apprenticeships and work-based learning options.

Pages 7-20 - Find your HNC or HND subject to discover all possible articulation pathways to UWS degree programmes.

Pages 21-33 – Look up over 60 UWS degree courses to check which HNC or HND qualification you will need to gain advanced entry.

Pages 35-36 – Check our franchise and validated degree options studied at our partner college campuses.

Please don't worry if your qualification isn't listed in this guide or if the title is slightly different, we accept a range of qualifications for entry to our programmes and encourage you to reach out to our College Team if you have any questions about your qualifications or any aspect of studying with us at UWS.

UWS campuses codes:

AY: UWS Ayr Campus
PA: UWS Paisley Campus
DF: UWS Dumfries Campus
LK: UWS Lanarkshire Campus

The information in this guide is accurate at the time of publication, however, we would encourage any prospective applicants to check our website or get in touch with us prior to applying for the most up to date advice and information.

Got a Question?

For general enquiries and guidance on college to uni study, email the team at collegeteam@uws.ac.uk.

We also offer 1-to-1 advice sessions via online call, phone call or in-person at a UWS campus which can be arranged via email.

Look out for the UWS College Team at a range of events and presentations throughout the year at partner colleges across Scotland.

If you would like to arrange a bespoke presentation or a visit to a UWS campus for your class, please get in touch, we would be delighted to meet you!

HNC & HND ARTICULATION PATHWAYS – 2027 ENTRY

Articulation is when students who are studying an HNC or HND course at college progress into Year 2 or Year 3 of an undergraduate degree at UWS. Over 90% of UWS undergraduate degree courses have these advanced entry points, so you can take your college qualifications to the next level.

If your HNC or HND course does not have a standard articulation pathway listed, we may be able to consider you for year 1 entry of a degree programme.

Find your articulation pathway:

Find your HNC or HND qualification and available articulation options in this section.
