

COLLEGE TO UNI

2026 ENTRY

UNIVERSITY OF THE
WEST of SCOTLAND

UWS

UWS.AC.UK

**AS SCOTLAND'S LEADING UNIVERSITY
FOR WIDENING ACCESS, WE ARE
PROUD TO BE THE LARGEST PROVIDER
OF ARTICULATION OPPORTUNITIES IN
THE COUNTRY, WELCOMING OVER A
THOUSAND NEW STUDENTS FROM A
RANGE OF COLLEGE COURSES TO OUR
DEGREE PROGRAMMES EACH YEAR**

Over 95% of our degree programmes at UWS have advanced entry options available with an HNC or HND, and ALL of our degree programmes consider HNC and HND qualifications with entry points available from years 1–3.

Our dedicated UWS College Team work closely with further education colleges across Scotland, including our 10 partner colleges, to ensure that students moving from college to university are well supported throughout their academic journey and that the move to degree level study is as smooth as possible.

This guide is split into two sections:

Section 1 – Find your HNC or HND subject to discover all possible pathways to UWS degree programmes

Section 2 – Look up over 60 UWS degree courses to check which HNC or HND qualification you will need to gain entry

Please don't worry if your qualification isn't listed in this guide or if the title is slightly different, we accept a range of qualifications for entry to our programmes and encourage you to reach out to our College Team if you have any questions about your qualifications or any aspect of studying with us at UWS.

The information in this guide is accurate at the time of publication, however, we would encourage any prospective applicants to check our website or get in touch with us prior to applying for the most up to date advice and information.

GOT A QUESTION?

For general enquiries and guidance on college to uni study, email the team at collegeteam@uws.ac.uk.

We also offer 1-to-1 advice sessions via online call, phone call or in-person at a UWS campus which can be arranged via email.

Look out for the UWS College Team at a range of events and presentations throughout the year at partner colleges across Scotland.

If you would like to arrange a bespoke presentation or a visit to a UWS campus for your class, please get in touch, we would be delighted to meet you!

UWS is proud to work with 10 partner colleges across Scotland:

The background is a solid teal color. It is decorated with various abstract, hand-drawn style shapes in a lighter shade of teal. These include a large arrow pointing towards the top right, a spiral on the left, a zigzag line at the top left, a series of wavy lines at the bottom right, and a cluster of small dots on the right side. There are also some loopy, scribbled lines scattered throughout.
