Level 1

	Level 1 criteria	Expected Outcomes	Evidence that Outcomes have been met
1	The school has received full support from the Senior Management Team	Head teacher and senior manager(s) demonstrate support of embedding Holocaust Education in their school	
2	The school has exercised a sustainable approach to teaching the Holocaust	Teaching staff provide examples of good practice of Holocaust education over a minimum of 2 years, with a clear focus on Social Subjects.	
3	The school encourages responsible citizenship through issues raised in Holocaust education.	Teaching staff provide examples of how Holocaust education contributes to responsible citizenship in their school. This includes addressing antisemitism through education.	
4	The school engages in good practice with peers, practitioners, and/or Holocaust education providers.	Teaching staff provide examples of how practice in their school has been shared, and how they have communicated with peers and other Holocaust educators.	
5	The school identifies Continued Professional Learning in Holocaust education	The lead teacher and /or senior managers identify key priorities and actions to develop Continued Professional Learning in Holocaust education for staff.
