Welcome to UWS Residences!

I hope you are settling into your new home.

Our dedicated team are always on hand to make your stay an enjoyable one. We are here primarily for your comfort and safety so please feel free to reach out to us with any questions you might have or if you need our support. Our team are onsite 24 hours a day, seven days a week. You don't need to make an appointment – just drop in and see us and we'll be happy to help.

We want you to make the residence your home away from home and when you leave university we want you to not only have the qualifications you came for, but lifelong friends as well.

Each month we prepare The Resident magazine to provide you with the latest updates on what's happening within the residences and the wider university. I hope you enjoy reading this first edition for the academic year 2025-26.

Best wishes,
