

School of Business & Creative Industries
BA (Hons) Performance (2025/26)

Thank you for your interest in and application for the Performance programme that commences in September 2025.

Further to your application to the School of Business & Creative Industries, we have pleasure in inviting you to attend a workshop interview.

Please refer to UCAS track with your date and time. You have the option to either accept, decline or request an alternative time slot. Please note that if you choose to decline your slot, your application will be rejected and you will no longer be eligible for this programme. If you request an alternative time slot and where possible another will be communicated to you again via UCAS Track.

During your workshop you will be expected to participate in group sessions to show your understanding of performance. The workshop will consist of an introductory talk, discussions with members of the programme team, and workshop activities.

The whole process will take no longer than two hours.

Decisions

Decisions will be not be conveyed to you on the day but you will be contacted through UCAS following your interview. We aim to do this as quickly as possible to enable you to make decisions on your choices in as much time as possible.
